

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Gary Lee Wilkinson**
Docket No. **286099**
L.C. No. **07-004083 FH**

Henry William Saad, Chief Judge, acting under MCR 7.201(B)(3) and MCR 7.211(E)(2),
orders:

The application for leave to appeal filed on June 19, 2008, is DISMISSED because the issues raised in the application for leave to appeal do not involve the lower court number placed on the application for leave to appeal. The 6- to 10-year sentence involves 07-003595 FH rather than 07-004083 FH. However, counsel for appellant has not provided a judgment of sentence for 07-003595 FH, nor an order of appointment for that case. Therefore, the application must be dismissed.
